## RULES OF GAME

1. Both Italian and foreign players can participate. Italian participants (as well as those who are resident in Italy) must have their FSI card valid for the current year. Foreigner participants have to supply a document, issued by their Chess Federation, certifying their title and ELO rating. Foreign players, without FIDE rating, who are unable to certify their national rating, will not participate to rating bands prizes.

2. By decision of the organizer, players may be admitted as from the second round. In this case the player will enter the stranding list with zero points.

3. Tournament provides for 9 rounds and Swiss system paring.

4. Smoking, including electronic cigarettes, is strictly forbidden in the playing venue. During play, a player is forbidden to have a mobile phone and/or other electronic device in the playing venue. If it is evident that a player brought such a device into the playing venue, he shall lose the game. The opponent shall win.

5. Registration implies the acceptance of all Festival rules. The organizers are authorized to introduce any alterations they may consider necessary for the best performance of the event. Participants accept that information relevant to the tournaments, either personal data or the results of the games or the games themselves, can be processed and circulated according to the Act 675/96 on the right to privacy.

6. Players who are not at their desk within 30 minutes from the time provided for by this announcement, will lose the game.

7. Arbiter's decisions are final.

8. What is not provided for in the present rules will be managed according to the rules emanated by FIDE, FSI and CONI (Italian Olympic Committee)..

9. In order to get expenses refunded, winners must supply their personal fiscal code and, if under 18, the written authorization by their parents
